Experience:

Police Officer – Overland Park Police Department

March 2014 - Present

- Maintained professionalism during daily patrol duties and investigations while making consequential decisions in a high-stress and highly critiqued atmosphere
- Selected to be a member of the OPPD NRT (Niche Review Team) in May of 2018. As a member of the NRT made up of 7 total members, I was tasked with implementing a brand new department-wide records management system and training all 250 department members on the new system
- Scored above expectation on yearly evaluations
- Completed investigations, arrests, citations, evidence collection and packaging, interviews, and follow-up investigations while adhering to strict department policies and standard operating procedures
- Wrote clear and concise reports containing all necessary pertinent information and testified at multiple Municipal Court and District Court criminal trials
- Received numerous compliments from citizens contacted in my professional capacity as a police officer
- Selected as a member of the Honor Guard in May 2017
- Met and exceeded patrol goals and objectives consistently

Sales Representative – Verizon Wireless

September 2013 – March 2014

- Built relationships with customers in a retail environment to sell a wireless communication device solution, while educating them on the nuances of their device, and troubleshooting device issues
- Exceeded store expectation in key performance tracking metrics, such as new lines added and accessory revenue per device
- Learned and mastered the Point of Sale systems and software used

Universal Banker – CapWest Mortgage

January 2013 – August 2013

- Communicated with clients from across the country efficiently and professionally to provide the highest level of client care
- Managed pipeline of 40 real estate refinance and purchase loans throughout a 45 day process to meet strict deadlines in order to ensure a smooth transaction and an excellent client experience
- Learned and excelled in the computer systems used (Encompass 360, Velocify, Mortech, Mortgagebot)

Education:

University of Kansas Coding Bootcamp

November 2018 - May 2019

- Gained experience across the range of the most current and relevant coding languages and technologies including: HTML5, CSS3, JavaScript, jQuery, Java, Bootstrap, Express.js, React.js, Node.js, Bookshelf.js, MongoDB, MySQL, Command Line, Git, Application Program Interfaces, Firebase, and others.

University of Kansas

2008 - 2012

- BGS Degree in the College of Liberal Arts and Sciences.
- Completed courses in 15 different fields of study over the past four years including psychology, biology, economics, communication, sociology, earth science, health, mathematics, and writing
- Elected as Team Captain on the University Cross-Country Team 3 consecutive years

Specialized Trainings & Awards

- “Officer of the Quarter” award recipient - 1st Quarter 2018
- Crime Prevention Through Environmental Design Certification - 2018
- Life Saving Award - May 2016
- Community Service Award - October 2017
- 4-time “Jayhawk Cross Country Athlete of the Year”
- Lee R. Stanford Memorial Scholarship Award Recipient.
- Earned eight NCAA Division 1 varsity letters, five All-BIGXII honors, two All-Region (cross country) honors, and one All-American honor (track) for the University of Kansas
